DATA MANAGEMENT SOLUTIONS

PRODUCT DESCRIPTION	PRODUCT CODE
Vista™ Information System Captures, stores, and evaluates data from each Trima Accel™ Automated Blood Collection System.	25201
InfoVu™ Provides a range of applications and interfaces to help you manage your Terumo Blood and Cell Technologies systems.	
TAPS Trima Accel™ Procedure Summary (TAPS) generates a report containing the post-procedure data displayed on the Trima Accel™ Automated Blood Collection System End of Run Summary screen.	TAPS001
Trima™ KPI Dashboard Trima™ Key Performance Indicator (KPI) Dashboard is a business intelligence solution that gathers data from Trima Accel™ devices and delivers it in an easy-to-use format so you can analyze the data most important to your blood center.	TR00DASH
Cadence™ Data Collection System Fully automated data management solution designed for hospitals and blood centers that facilitates business intelligence, timely troubleshooting, and easy access to your procedural data. This software is compatible with Trima Accel™, Spectra Optia™, and Finia™ devices.	70451700
StafaCT Cellular Therapy Software Workflow-driven software that eliminates the need for manual and redundant documentation by seamlessly collecting and managing patient, donor, and product data throughout the process — from patient referral to post-infusion follow-up.	Contact your account manager for more information.
StafaCT Modules	
Clinical: Captures and manages patient and donor information throughout the cell therapy workflow.	Contact your account manager for more information.
Apheresis: Guides apheresis procedure workflow and data capture to support quality, traceability, and regulatory compliance with direct connectivity with the Spectra Optia™ Apheresis System.	
Cell Therapy Lab: Enables workflow guidance and comprehensive data capture for product receipt, processing, storage, transport, issue, shipping, and infusion.

DATA MANAGEMENT SOLUTIONS

PRODUCT DESCRIPTION	PRODUCT CODE
StafaCT Modules	
Reporting and Analytics: Provides real-time data mining and flexible reporting for quality monitoring, process improvement, and research.	Contact your account manager for more information.
Quality and Compliance: Monitors compliance to standards, regulations, and internal standard operating procedures (SOPs) through proactive risk mitigation and corrective action across recipient, donor, and product workflow.	
ISBT: Generates ISBT-128-compliant labels on demand and captures scanned label data to support product management.	
TOMEs™ Stations Deployment and Implementation	39300732
TOMEs™ (Terumo Operational Medical Equipment Software) Stations Links compatible devices with your blood bank and other data management systems to create a powerful network that informs decisions and supports compliance and traceability. It can also be found as a module on Lumia™.	2METOMESSTA01
TOMEs™ Accessories	
Lantronix Serial to Ethernet Adapter Standard	2ME05TSC001
Lantronix Serial to Ethernet PoE Adapter	2ME05TSC002
T-Pool Select™ T-Pool Select™ is a software module in the TOMEs™/Lumia™ platform. T-Pool Select™ facilitates efficient pooling of interim platelet units (IPUs) produced on Reveos™ into a single transfusable dose.	
T-Pool Select™ Annual License Fee	12METOMESTP
T-Pool Select™ Deployment and Implementation	339300769
Inputs is a module in TOMEs™/Lumia™ that provides the ability to move data from the blood establishment computer software (BECS) to TOMEs™/Lumia™.	
Inputs Annual Licensing Fee	2METOMESINP01
Inputs Deployment and Implementation	339300770

TRAIN THE TRAINER PROGRAM

SERVICE DESCRIPTION	SERVICE CODE
Medical Device Train-the-Trainer Program: trainer education course held at Terumo Blood and Cell Technologies corporate offices in Lakewood, Colorado. This is a 3- or 4-day program (depending on the class size) for previously trained users of Terumo Blood and Cell Technologies devices. Training begins with a review of the fundamental principles related to the use of the device for the stated protocol(s). Each participant then performs a return training to classmates and the program moderator.	339-300-011

ORDERING INFORMATION, TERMS, AND CONDITIONS

TERUMO BLOOD AND CELL TECHNOLOGIES

Ordering Information, Terms, and Conditions

These Terms and Conditions apply to all orders in the United States and Canada for products from Terumo BCT, Inc. ("us" or "we"). As a Customer ("you") placing an order, you have agreed to these Terms and Conditions.

I. ORDERING INFORMATION

A. You may order from us in several convenient ways.
   1. Call (877) 339-4228 Monday through Friday from 6:00 a.m. to 5:00 p.m, Mountain Time, and select Option 1.
   2. Send a fax to (866) 715-10811.
   3. Email BCTCustomer.Orders@TerumoBCT.com.
   4. Send an order by mail or express delivery to Terumo BCT Order Processing, 10811 W. Collins Avenue, Lakewood, CO 80215-4439.

B. Purchase Order number is required for all orders.

C. We must receive your original Purchase Order for all equipment orders and all orders over $50,000.00. Such orders are subject to acceptance before shipment.

II. SHIPPING, CREDIT, AND PAYMENT

A. Shipping terms are DAP (Delivered At Place, Incoterms 2010), with freight and handling charges prepaid and added to the invoice. Your freight account may be utilized on parcel shipments. Please contact Customer Service to arrange.

B. Associated fees for additional accessorial requirements defined by you on shipments will be added to your invoice.

C. Credit and business approval are required before shipment.

D. Payment is due net thirty (30) days with established credit and must be sent to the address on the invoice.

E. In the absence of established credit, you must pay in full when you order. We reserve the right to delay processing any such order until we receive payment.

F. We reserve the right to charge interest on late payments at the rate of the lesser of one and one-half percent (1.5%) per month or the highest rate permitted by law, with such interest beginning to accrue on the date the payment was due. You agree to pay all reasonable attorney fees and expenses that we may incur in connection with enforcing our right to obtain payment.

G. If you violate any payment terms, we reserve the right to not fill your pending orders, to require your full or partial payment in advance, or to cancel your orders.

H. You are responsible for payment of all applicable taxes on transactions under these Terms and Conditions. If you claim a tax exemption, proof of tax exemption must be submitted to us prior to or at the time of your first order.

I. You grant us a first priority lien and security interest in all products sold to you until we receive payment in full. Should you violate any payment terms, we reserve the right to take all reasonably necessary actions to protect our security interest and to enforce such interest.

J. You shall not resell our products to third parties.

III. RETURNED PRODUCTS

A. We will accept returned products only if you have contacted Customer Service for prior review and authorization at (877) 339-4228.

B. Shipping for all returned products must be prepaid.

C. Returned products are subject to a restocking fee.

D. All returned products must be in original, unopened cartons and in salable condition. Broken cases are not returnable. Products containing prescription solutions are not returnable.

E. All products held over six (6) months from date of invoicing are not returnable.

F. Products close to or past their stated expiration date and discontinued products are not returnable.

IV. DAMAGED OR SHORT SHIPMENTS

A. You must note damage or shortage on the delivery receipt at the time of delivery.

B. Contact your carrier for damaged or short product shipments when your parcel freight account is utilized (EXWORKS).

C. Please call Customer Service at (877) 339-4228 within three (3) business days of product receipt whenever damaged, short, or incorrect product deliveries occur so we can provide additional assistance.

V. OTHER

A. For product warranty information, visit TerumoBCT.com.

B. Product prices, specifications, and availability are subject to change without notice.

C. Quotations are strictly confidential. You shall not, except as required by law or regulations, disclose or release in any manner to any third party the fact that we have furnished or contracted to furnish the goods included in any Quotation for the prices stated.

D. These Terms and Conditions constitute the entire agreement between you and us for the purchase of goods. There are no warranties, representations, covenants, or agreements, expressed or implied, except those explicitly set forth herein. Any purported alteration of these Terms and Conditions, whether or not intended, through additional terms set forth in a Purchase Order, confirmation, acknowledgement, or correspondence shall be void and of no effect, and these Terms and Conditions supersede and replace in total all other terms. Neither our shipment of products nor acceptance of payment shall constitute our acceptance of a deviation from these Terms and Conditions.

VI. CUSTOMER SUPPORT AND TRAINING TOOLS

We carry a broad selection of tools to support training, implementation, procedure development, and licensure submissions on our website TerumoBCT.com.
